

About us

The West Oak Hotel is a two storey venue with a beer garden, balcony, and separate upstairs bar and function room. The venue can cater for group bookings from 10 to 400 people. The West Oak Hotel Gallery Room has been fully rejuvenated. It suits private functions of 20 to 140 people and were happy to chat about your specific requirements from exhibitions and small conference meetings, to birthdays and special events. The room is equipped with A/V, access to the Jolly Bar, upstairs at the West Oak, and can be customized to your event. Whatever you have in mind please contact us to talk about your requirements for your next event. We are flexible with catering, seating, tables, A/V and welcome parties large or small. Were well equipped for Birthdays and Celebrations, Galleries and Exhibitions, Seated Dinners and Corporate Functions.
