History

Established in 1838, the Royal Oak Hotel was once the beating heart of Adelaide's west end. Through 175 years of trade and several incarnations, it has survived as one of the city's oldest continually licensed venues.

Since our opening day in October 2017, we have strived to return this heritage icon to its former standing as the best in the west, while adding a few contemporary touches along the way.

Today, our beverage selection looks to showcase the best that S.A. has to offer. While we feature a familiar range of beers on tap, we aim for a rotating selection of craft beer in cans. Our wine list is entirely sourced from the regions surrounding Adelaide, and our back bar leans locally where possible, so why not try something new!

The West Oak Hotel - Good times on tap.
